Organization Overview:

Central Iowa Shelter & Services’ mission is to provide low-barrier shelter, meals, and support services at no cost to adults experiencing homelessness and to facilitate their move toward self-sufficiency. Approximately 2,000 women and men experiencing homelessness have received emergency shelter and supportive services to help them move beyond homelessness each year.

CISS has served people experiencing homelessness in Des Moines since 1992. In September 2012, CISS opened its current facility. The facility grew from being 8,000 square feet and 96 beds to 42,000 square feet and 207 beds. It is equipped to provide expanded emergency shelter (150 beds); expanded transitional housing for Veterans (19 rooms); and Project Based Section 8 Voucher efficiency apartments (38 rooms). Along with expanded housing capacity, CISS is also home to an on-site health clinic, food pantry, clothing closet, classrooms, and a 30-foot growing dome.

All guests and residents are provided three daily meals, access to shower and laundry facilities, and a daily medical clinic as well as individualized case management, life skills instruction, and referrals to other community services. Programming continues to evolve to meet emerging homeless and community needs.
